

assemblage_register
_component

```
graph LR; A[assemblage_register_component] --> B[assemblage_row_find_empty]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'assemblage_register' on the top line and '_component' on the bottom line. The right box is white and contains the text 'assemblage_row_find' on the top line and '_empty' on the bottom line. A dark blue arrow points from the right side of the gray box to the left side of the white box.
